Click here to see an example of the certificate you receive. Inventor training, you¢ÃÂÂre not assessed and there is no exam to sit. For further details, see Expert trainers. How will I learn? Inventor training is hands-on and practical. Our trainers teach the necessary theory then demonstrate techniques step-by-step. This program is very smooth to use and I'm excited about using it going forward.¢Ã Crlando M ¢ÃÂÂReally useful and informative.¢Ã Holly T ¢ÃÂÂGreat teacher and a nice centre - convenient to B'ham too.¢Ã Nicholas H ¢ÃÂÂPowerful technology, inspirational tutor. Many thanks¢Ã John H ¢ÃÂÂCourse instructor was extremely knowledgeable and very helpful throughout. ¢Ã Nick A ¢ÃÂÂVery informative teacher, patient and pushes the students to learn over the required functions. Carl was a good trainer and a lot of his experiences resonated with me and my team. ¢Ã Robert D ¢ÃÂÂAbsolutely brilliant 3-day course, thoroughly enjoyed it and learned a lot of new things. For further details, see Certification exams. After course supportFollowing Inventor training, delegates are entitled to 30 days¢Ã email support from their Inventor trainer to help with any post-course issues. Discounted prices are available for retakes. Who can I instructor was extremely knowledgeable and very helpful Rebecca T ¢ÃÂÂThe experience was more than useful. Will definitely be recommending the course to other colleagues. However I did discover the correct way to do a lot of things and increased my productivity on the software therefore I feel the overall experience was rewarding.¢Ã Matthew M ¢ÃÂÂA very enjoyable and worthwhile course.¢Ã James W ¢ÃÂÂA very enjoyable and worthwhile course. hopefully into an exciting career. ¢Ã Adam K ¢Ã Andrew M ¢ÃÂÂA complete novice, Carl has shown me lots, that I can already see how to apply at work. ¢Ã Andrew M ¢ÃÂÂVery informative course with knowledgable tutor. ¢Ã Tom M ¢ÃÂÂGood instructor, plenty of time for the students - well structured course. ¢Ã Darren H ¢ÃÂÂVery good course, helpful and knowledgeable tutor, many thanks. He had lots of useful insights into using the program effectively. ¢Ã Philip B He is a long-established Autodesk Certified Instructor (ACI), and he focuses primarily on Autodesk applications including AutoCAD, Inventor, Fusion 360, 3ds Max and Sketchbook, as well as Dassault Systemes SolidWorks. Andy continues to undertake project work to keep up-to-date with the latest technologies and practices. Immediately, when you complete your exam. Payment can be made securely online or over the phone. Carl has been an excellent instructor and I would like to pass on my thanks to him. Thank you.¢Ã Paddy W ¢ÃÂÂThanks Carl, you have great patience. He knows Silverstone and Brands Hatch like the back of his hand, and he has the scars to prove it. Training area/ hardware is great and for our small class we enjoyed the flexibility and opportunities to focus on certain area of our interest.¢Ã Yi L ¢ÃÂÂA great insight into 3D using Inventor, I will be attending further courses using this software. No webcam is required. Autodesk Certified User (ACU) exam in Inventor. Qualification: Autodesk Certified User in Inventor. Length of exam: 50 minutes. Recommended preparation: Attend Inventor Essentials training, and have approximately 50 hours AAA experience using Inventor. Further details: download exam guide. Practice test is available that reflects the questions you AAA experience using Inventor. Further details: download exam. newcomers, teaching how to create production-ready parts and assemblies. In-class or onlineOur centres are open for in-class training, with full safety measures and comprehensive sanitisation implemented. We continue to offer all course is aimed at designers and engineers who want to start using Inventor training Centre (ATC), and our Inventor training Centre (ATC), and our Inventor training Centre (ATC), and our Inventor training Centre (ATC). experience in a wide range of industries, including automotive, aerospace and medical, and he continues to carry out project work for a range of clients. ¢ÃÂÂCourse was interactive and interesting. Either way I'm very happy. For further details, see Support.PrerequisitesDelegates should have a good working knowledge of Windows. Your Photo ID will be verified prior to your exam starting. To sit an online exam, all you need is a computer (Windows or Mac) with: A strong Internet connection (min. Very informative and always happy to answer questions. Andy Roe Andy has worked in CAD for over 30 years in roles including Draughtsman, CAD System Manager, Project Manager and Design Engineer. In recent years, Andy has focused on developing and delivering training For details, please consult the course sometimes. The Essential Training Courses for Essentials are hosted by: Carl Portman Andy Roe Michael Sean Nugent Carl Portman has been an Autodesk Accredited Instructor for 25 years, a University Professor (3D Modeling City and Guilds) for 15 years and a CAD Consultant for 35 years. I don't know if this is a coincidence. Very patient and good communicator and overall very helpful and friendly. Please contact us for a quote. 9.30 â The good course, available and competent tutor, thank you very much. Lots of extra content to keep me entertained and constantly learn. Andy, our tutor, was extremely knowledgeable and helpful. I was taught how to improve my workflow through decisions. The Course with a very accessible and knowledgeable instructor agraham t and helpful. I was taught how to improve my workflow through decisions. The Course with a very accessible and knowledgeable instructor agraham t and helpful. I was taught how to improve my workflow through decisions. The Course with a very accessible and knowledgeable instructor agraham t and helpful. I was taught how to improve my workflow through decisions. and the instructor training together with the company providing the course, I gou need to retake an exam, simply book again. Proof of your status entitling you to a discount may be required. Thermal and exclusive one of the above discounts can be applied to any booking. The above discounts are not available for bookings of courses on request (individual training or a """ Closed Course or a Armada for the training of inventors. â, ¬ stephen c ã ¢ â, ¬ å "Well presented course, with material tutor.¢Ã Richard B ¢ÃÂÂFantastic course instructor and general experience of program. For details, see cancellation terms. Different terms apply for the cancellation or postponement of an on-request course (one-to-one training or a ¢ÃÂÂclosed course¢Ã for your group). Highly recommended!¢Ã Victor A ¢ÃÂÂThis is our second session of training. Your great¢Ã Tom L ¢ÃÂÂCarl Portman conducted the course in a professional and easy to follow manner. All major credit and debit cards accepted. I have sharpened my pre-existing skills and am looking forward to future training ¢Ã Jarvis A ¢Ã Jarvis A ¢Ã Jound the course excellent and improved my skills massively.¢Ã Ben H ¢ÃÂÂGood all round course, very knowledgeable instructor, plenty of time for the students - well structured course, ¢Ã Darren H ¢ÃÂÂInstructor very knowledgeable and helpful. Hopefully I will be able to carry this new skillset forward into my work environment.¢Ã Lee M ¢ÃÂÂThe inventor training course was extremely beneficial to myself and others who participated in it:) Although I don't work directly with this software, it is a great way of me understanding the software and in the future I now have the foundation to start working with the programme.¢Ã Rheace J ¢ÃÂÂGreat Trainer and would recommend to other people who would like Autodesk training.¢Ã Suraaj S ¢ÃÂÂGreat Trainer and would recommend to other people who would like Autodesk training.¢Ã Suraaj S ¢ÃÂÂGreat Trainer and would recommend to other people who would like Autodesk training.¢Ã Suraaj S ¢ÃÂÂGreat Trainer and would recommend to other people who would like Autodesk training.¢Ã Suraaj S ¢ÃÂÂGreat Trainer and would recommend to other people who would like Autodesk training.¢Ã Suraaj S ¢ÃÂÂGreat Trainer and would recommend to other people who would like Autodesk training.¢Ã Suraaj S ¢ÃÂÂGreat Trainer and would recommend to other people who would like Autodesk training.¢Ã Suraaj S ¢ÃÂÂGreat Trainer and would recommend to other people who would like Autodesk training.¢Ã Suraaj S ¢ÃÂÂGreat Trainer and would recommend to other people who would like Autodesk training.¢Ã Suraaj S ¢ÃÂÂGreat Trainer and would recommend to other people who would like Autodesk training.¢Ã Suraaj S ¢ÃÂÂGreat Trainer and would recommend to other people who would like Autodesk training.¢Ã Suraaj S ¢ÃÂÂGreat Trainer and would recommend to other people who would recommend to other pe teach you practical skills you can use in the real world, not prepare you to sit a test. If you want to gain an industry-recognised credential in Inventor, we offer Autodesk certification exams that you can sit on a future date. Exams can be sat at our Bromsgrove centre, on online. ¢Ã Gordon C ¢ÃÂÂGreat Course, good group, pace correct for learning. ¢Ã Kevin R ¢ÃÂÂVery worthwhile 3 days. Industries in which Andy has significant experience include aerospace, defence and automotive. Card payments are processed by Stripe. Projects that Carl has completed include designing complete car plants for Jaguar Land Rover. Carl has expert knowledge of:A wide range of 3D design applications used in engineering, including AutoCAD, Alias, Fusion 360, Inventor and SolidWorks. Machining, CAM and CNC. Away from work, Carl¢ÃÂÂs passion is motorsport, and until recently he raced motorbikes. It is relevant to users of Inventor 2018 and later. Our guarantees to youWe offer: On-request Inventor training available Inventor Essentials training is also available on-request, i.e. one-to-one training or a ¢ÃÂÂclosed course ¢Ã for your group, hosted at one of our centres, your venue or online. On-request Inventor training can be tailored to take into account any existing knowledge you have, and the work you¢ÃÂÂre going to be doing. He¢ÃÂÂs also an expert user of Trimble SketchUp and PTC Creo (Pro Engineer). When not hosting courses, Michael carries out CAD design work in a wide variety of industries including manufacturing, architecture, construction and engineering. Away from training and designing, Michael enjoys spending time with his dog, keeping fit, catching up on the latest TV series and socialising with friends and family. Live online training lets you participate in a real Inventor course from your place of work or home. We do everything possible to make your online training experience as close as possible to actually being in the classroom By this we mean it must:Cover the same subject. Be the same duration or longer. Hold the same accreditations as our course, i.e. it must be provided by an Autodesk Authorised Training Centre (ATC). For classroom-based courses, i.e. it must be provided by an Autodesk Authorised Training Centre (ATC).
